4.「おたがいさまで迷惑かけあって、みんなの子をみんなで育てあおう！」を広めたい

- ◆家族だけで、日中は母親だけで、子育てするのはとても大変。親にとっても、子どもにとっても、いろいろな人との関わり合いや、手助けが必要です。
- ◆1歳を過ぎて、自我が芽生えてからの子どもたちは、毎日、怒ったり、泣いたり、笑ったり、ケンカや、やり取りを通して、大切なことを学んでいきます。
そんな子どものありのままの姿を受け止めて、おたがいさまで、いっぱい迷惑をかけあって、みんなで子どもたちを育て合うムードを発信していけたら、と「かなーちえ」は考えています。
- ◆いろいろなことが起きますが、その度に顔と顔を合わせて、話し合い、乗り越えていく。大人同士も、しなやかさを身につけていける機会がたくさんあります。
- ◆迷惑をかけ合う中で、人と人との関係が育っていく。そんな場を地域に一緒に広げていきましょう。

“Don’t be sorry, it happens! That’s how children are! Let’s help each other to raise OUR CHILDREN!”

We would like to make this motto more familiarized and carried out!!

It's very tough to raise a child only by a mother in the daytime, also only with the family. Parents and their children need to be involved with other people and share their help.

Once children become 1 year old, each child gets angry, cries and laughs every day. They learn important things through the experience of quarrels or communication with others.

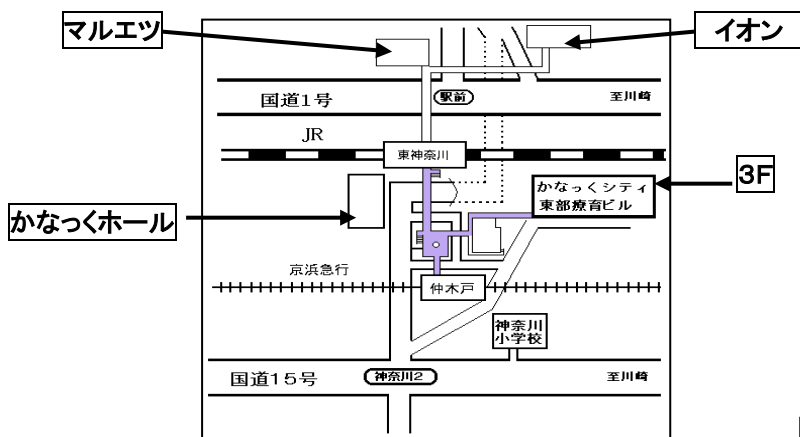

We, Kana-chie would like to say that it's ok if children have some trouble with each other and help to grow up together.

Various things happen among children. We would like you to discuss it with each other face to face, and try to get over those situations.

Through this, there are also many chances for us adults to leave to be flexible.

“Troubles make our relationships stronger.” Working together, we can help expand this philosophy.

* Cultural Exchange Talks are held at 11:00am-12:00pm on the second Thursday of every month.
